SUBMISSION OF CORRECTED APPLICATION PAPERS

Mail Stop Missing Parts

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450.

Sir:

Responsive to the Notice to file Corrected Application Papers, mailed June 17, 2004, please enter the attached Substitute Specification. Drawings of the Application are already in the record. Included with this submission are: the written portion of a Substitute Specification; a Petition and Fee for a two-month extension of time; a Supplemental Declaration; a Power of Attorney (PTO/SB/81); Statement under 37 CFR 3.73(b); and a copy of Assignment of Application.

Remarks

Applicants have previously submitted a Petition and paid the fee for a one-month extension of time in which to make a response to the instant Notice. Credit for such payment is requested toward the instant request for a subsequent additional one-month extension of time.

Applicants believe that the instant Substitute Specification is essentially a true copy of the prior-submitted Specification, with the exception of correction of minor punctuation, and changes in formatting to place the Substitute Specification in compliance with 37 CFR 1.52, 1.121(b)(3), and 1.125. It is believed that no new matter is added.

Conclusion

Applicant requests that the attached Substitute Specification be entered. If any questions or issues remain which might most conveniently be resolved by telephone interview, FAX, or by e-mail, the Examiner is respectfully requested to communicate with the representative at the below indicated contact information.

Respectfully submitted,
